### **Laughter therapist**

They say it takes more muscles to frown than it does to smile. If that's true then a career as a laughter therapist should be an easy ride. In this job a laughter therapist must do their best to make people laugh their way to a better life. Perfect for any **budding** clowns out there!

### **Paint Watcher**

You may have heard some people say they'd "**rather watch paint dry**" than do something they don't want to do. Well, if they really mean it the opportunity is there – studying the drying time and effects of paint as a full-time job for a paint manufacturer

### **Dice inspector**

In the **gambling** world, millions can be lost at the roll of a **faulty** dice. With that in mind, the job of a dice inspector is an important one, making sure each die is in proportion, with all the right **angles** and **blemish** free.

## Snake Milker

Snake **venom** is powerful stuff. It can be turned into drugs to treat all kinds of conditions, including a **poisonous** snake bite. But some brave soul needs to collect that venom by hand. They gently expose the snake's **fang** and squeeze out the deadly juices. "The only difference between me and any other company in the world that produces something is that the means of production here can kill you...and wants to," Alabama snake milker Ken Darnell says.
